Letter of Interest

A Self-Driven Job Search

We'll discuss ways to start your target campaign:

- Exploring in detail - just what is a Letter of Interest?
- How can this be a tool to reach out to companies on your focused list?
- We'll dive into how to craft the letter and when you'd want to reach out
- We'll also explore how to find the companies you want to work for & the right contacts in those organizations

This is a proactive approach, a different kind of job search campaign, and exceptionally effective!
